

DURA FORCE PRO 2
with SAPPHIRE SHIELD

DURA XV EXTREME

VERIZON PUSH TO TALK PLUS (PTT+) INSTANT COMMUNICATION WHEREVER YOUR TEAM IS LOCATED

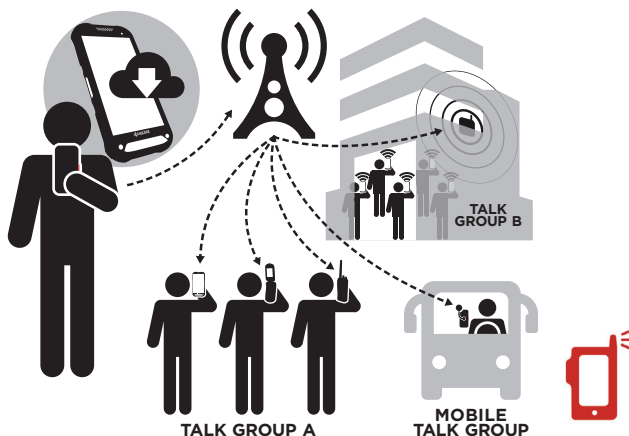

Communicate one-to-one or one-to-many over Cellular or Wi-Fi networks while utilizing the productivity features of the [DuraForce PRO 2 with Sapphire Shield](#) and [DuraXV Extreme](#). And with One Touch Action you can configure quick access to the most commonly used PTT+ functions like recent call, specific contacts, call groups or landing page options. PTT+ allows you to do more than talk, you can track and share your location, share texts, alerts, photos, videos, voice messages and documents (PDFs) – all without leaving the app. Get more done with Push to Talk Plus running on Verizon's 4G LTE network, the nation's most reliable wireless network.
