Sprint Direct Connect

- **Group Connect®** - Connect instantly with up to 20 other Direct Connect users at the same time – on the fly or online*.
- **TeamDC℠**- Nationwide group calling with up to 199 other Direct Connect users with Sprint phones.
- **Single Number Option -** Make your Direct Connect number and wireless number the same.
- **Availability Notification -** Enables Direct Connect users to request the "available" status of another DC user. If the caller places a PTT call and the target user is not available, the sender can choose to be notified when the target becomes available.
- **Reassigning the Direct Connect button -** Assign the button to access your calendar, Bluetooth or the alarm when you are not provisioned for Direct Connect service.
- **Invites (Group Call and 1-1 Calling) -** Send an invite to initiate a Group Connect call or to a specific contact who has not yet joined the call.
- **Talker Priority (Group Call) -** Give one person the priority to speak over all others during a Group Connect call.

* Users currently cannot include Direct Connect users with Nextel phones in their Group Connect calls. See www.sprint.com/sprintdirectconnect for future coverage details.
