

AT WORK ACCESSORIES FOR RUGGED KYOCERA DEVICES

Introducing a range of proven mobile accessories that can turn your DuraXV LTE into a customized tool for your business needs.

DURAXV^{LTE}

by  **KYOCERA**

DEVICE HIGHLIGHTS

- **Protection in Hazardous Locations: Non-incendive Class I, Division 2, Group A-D, T4** — Certified for use in classified hazardous work environments where concentrations of flammable gases, vapors, or mists are not normally present in an explosive concentration (but may actually exist).
- **Connected and Productive** — LTE (also supports CDMA, GSM, and UMTS), Wi-Fi with HD voice, and voice over Wi-Fi.
- **Push-to-Talk Plus (PTT+)¹** — Large, tactile PTT+ key and extra-loud speaker.
- **Two-year Standard Warranty** — Made with Japanese quality and precision, backed by a two-year standard manufacturer's warranty.
- **Work and Play in More Places** — Mobile Hotspot and Enterprise email support.
- **Convenient Design** — 2.6" QVGA display and high-contrast LCD mono external display for easy readability in outdoor conditions. Large, tactile keypad and buttons for easy use with gloved hands and large fingers. Convenient top keys for quick access to activate speaker phone and end calls. PTT+ key is also programmable for frequently used applications.

DEVICE SPECS

DuraXV LTE at a glance
