# Get Your Phone Ready

## Set Up Your Phone

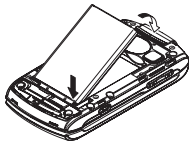

You must first install and charge the battery to begin setting up your phone.

### 1. Install the battery.

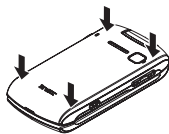

- Hook your fingernail into the slot at the bottom of the battery compartment cover, and lift the cover off gently (1).
- Insert the battery, contacts end first, and gently press into place (2).
- Replace the cover, making sure all tabs have seated and there are no gaps (3).

**1**

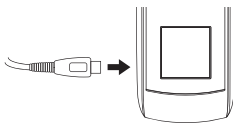

**2**

**3**

### 2. Charge your battery.

- Plug the phone charger into an electrical outlet.
- Plug the other end of the phone charger into the charger/accessory jack on the left side of your phone (4).

**4**

- ### 3. Press (End/Power Key) to turn the phone on.

## *Turn Your Phone On*

- Press  .

## *Turn Your Phone Off*

- Press and hold  for two seconds until you see the powering-down animation on the display screen.

# Calling

## *Make a Call*

1. Enter a phone number from standby mode. (If you make a mistake while dialing, press  to erase the numbers.)
2. Press .

## *Answer a Call*

- When your phone rings or vibrates, answer the call by pressing .

## *Reject an Incoming Call*

- Press  to send the call to your voicemail inbox.

## *End a Call*

- Press .

# Contacts

## *Add a Contact*

1. From standby mode, press **CONTACTS** (right softkey) > **Add New...** > **New Contact**.
2. Enter a name for the new entry and press the navigation key down.
3. Enter the phone number and press **OK**.
4. Highlight a number type for the entry (Mobile, Home, Work, Pager, Fax, or Other) and press **OK**.
5. Press **DONE** (left softkey).

## *Edit Contacts*

1. From standby mode, press **CONTACTS** (right softkey).
2. Highlight the entry you want to edit and press **OPTIONS** (right softkey) > **Edit Contact**.
3. Highlight the information you want to edit and add or edit the information.
4. Press **DONE** (left softkey) when you're finished.

## *Delete a Contacts Entry*

1. From standby mode, press **CONTACTS** (right softkey).
2. Highlight an entry you want to delete and press **OPTIONS** (right softkey) > **Delete Contact**.
3. Press **DELETE** (left softkey).

# Messaging

## *Send a Text Message (SMS)*

1. From standby mode, press **MESSAGING** (left softkey) > **Send Message**.
2. Select a recipient from the list or from the following options:
  - **Go to Contacts** to select a recipient from your Contacts. (Qualifying Contacts entries must contain a phone number or an email address.)
  - **MULTIPLE** (left softkey) to select multiple recipients. Press **CONTINUE** (left softkey) when you have finished selecting and entering recipients.
  - **NEW ADDRESS** (right softkey) to enter a recipient's phone number or email address directly. Press **CONTINUE** (left softkey) to proceed.
3. Use your keypad to enter a message or press **OPTIONS** (right softkey) to select additional options.
4. Press **SEND** (left softkey).

## *Send a Multimedia Message (MMS)*

1. Follow steps 1-3 of "Send a Text Message (SMS)."
2. Select **<Add Attachment>** and select **Picture** or **Voice**.
  - If you select **Picture**, select **Take New Picture**; or select **My Photos**, select files to attach, and then press **NEXT** (left softkey).
  - If you select **Voice**, select **Record New Audio**; or select **Recorded Data** and select files to attach, and then press **NEXT** (left softkey).
3. Review your message and press **SEND** (left softkey).

# Voicemail

## Set Up Voicemail

1. Press and hold **1** .  
- or -  
Press **MESSAGING** (left softkey) > **Voicemail** > **Call Voicemail**.
2. Follow the voice prompts to create your password and record your name and greeting.

It is strongly recommended that you set a voicemail password. Without a password, anyone who has access to your phone can access your messages.

## Retrieve Voicemail Messages

### From your wireless phone

- Press and hold **1** .
- or -  
Press **MESSAGING** (left softkey) > **Voicemail** > **Call Voicemail**.

### From any other phone

1. Dial your wireless phone number.
2. When your voicemail answers, press the asterisk key (\*).
3. Enter your password.

# Downloads

You have access to a dynamic variety of downloadable content, such as games, ringtones, and other applications. (Additional charges may apply.) Follow the basic steps below to access and download these items.

## *Access the Download Menus*

1. Press  > **Downloads**.
2. Scroll through the available items and highlight the one you want.
3. Press  to select an item or option.
