

Make It Large

In addition to the large, easy-to-use keypad with big numbers, the SCP-3810 lets you quickly change the size of the font in most of the menus. Default font size is set to Normal, but it's very easy to switch to Large. Note: not all applications support the large font option.

GPS Navigation Capable

The SCP-3810 offers easy access to Sprint Navigation and Sprint Family Locator right from the main menu under "Maps."

Sprint Navigation, an optional GPS application, provides audio and visual turn-by-turn directions with full color moving maps.

Sprint Family Locator allows you to see your child's location on an interactive map from your phone or computer. A 15-day free trial is available.
